

OFFICE OF THE ATTORNEY GENERAL
STATE OF ILLINOIS

KWAME RAOUL
ATTORNEY GENERAL

June 16, 2020

To: All Distributors of Cigarettes

The Tobacco Product Manufacturers' Escrow Enforcement Act of 2003 provides that the only cigarettes which can be stamped and sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-participating Manufacturers. Both the manufacturer and the brand style must appear together on one of the Directories. **The stamping and the sales of all other products is prohibited and may result in the suspension or revocation of a distributors' license, criminal prosecution or other legal action.**

Although several of the Escrow Enforcement Act provisions include requirements for Tobacco Product Manufacturers, Section 25 of the Act includes reporting requirements for distributors and provides that quarterly reports be filed not later than 20 days after the end of each calendar quarter.

The Attorney General Rules require distributors to fill out the enclosed forms, "Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands," and file it with our Office. **This report is to include both cigarettes and "roll-your-own" product manufactured by manufacturers not participating in the MSA. Please note that our Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands and DIST-1 forms have changed and should be reviewed carefully.** If computer reports are attached to the quarterly report, the quarterly report **MUST** be completed in full for each brand, including columns a-f. The enclosed form must be filed quarterly, **together with the Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1) and copies of all purchase and sales invoices**, according to the following schedule:

Quarter	Date Range	Report Due
First	Jan. 1 - Mar. 31	April 20
Second	Apr. 1 - Jun. 30	July 20
Third	Jul. 1 - Sept. 30	October 20
Fourth	Oct. 1 - Dec. 31	January 20

Write your license number in the upper right box and provide your address and contact information on the Distributor Quarterly Report. You must provide our office with an e-mail address. An updated listing of participating manufacturers can be found on the State of Illinois Directory of Participating Manufacturers at www.IllinoisAttorneyGeneral.gov by clicking on “Tobacco” and then on “Illinois Directories.” No information needs to be included on the form as to these manufacturers. **If you have no sales of cigarettes or “roll-your-own” product which are manufactured by non-participating manufacturers, please write “None”.** Please return the completed form prior to July 20, 2020.

Also enclosed is the Distributor 2020 Quarterly Report of PACT Act Transactions, which **out of state licensed distributors are required to complete.** Please return the completed form, with any attachments, prior to July 20, 2020.

Tobacco Information

June 2020

Please note that our forms have changed. Review each carefully.

COVID-19 Pandemic Issues

The Attorney General's Office understands the unprecedented situation that the COVID-19 Global Pandemic has caused for individuals and businesses. The Office is not immune to the issues experienced by others in the state and country. The Tobacco Enforcement Bureau understands this unique situation has presented a variety of issues and to the extent possible will work to help remedy those items. The COVID-19 Pandemic does not excuse any person or business from complying with the requirements of the laws of the state of Illinois or the requirements of the licenses they hold. The Tobacco Enforcement Bureau encourages electronic submission via email whenever possible. If there are issues with complying due to COVID-19 issues, contact the Tobacco Enforcement Bureau immediately via email at ttobacco@atg.state.il.us.

Distributor Affidavits for 2020 and Future Sales

Cigarette and OTP Distributors: Included in the 2019 fourth quarter mailing was an affidavit for cigarette distributors and all licensed OTP distributors who filed quarterly reports in one or more quarters in 2019. All licensed cigarette and OTP distributors were required to complete the affidavit and return it by January 20, 2020. The Cigarette Distributor Affidavit included an addendum for reporting cigars classified as cigarettes in Illinois in 2019. Cigars that are not considered to be cigarettes are also reported on the affidavit. **Please review the instructions and definitions for the cigars to which the addendum applies.**

Cigarette and OTP distributors will be required to complete a similar affidavit for 2020 sales and should retain adequate records to complete future affidavits. Each year an affidavit is included in the fourth quarter mailing and must be completed on or before January 20 of the following year. Any licensee who cancels their license in 2020 will still be required to provide a 2020 affidavit.

Little Cigars Classified as Cigarettes for Tax Purposes

Illinois legislation requires "Little Cigars" that meet the definition outlined in statute to have the tax paid at the same rate as cigarettes. Our office has included questions on the annual distributor affidavits regarding the brands and quantities stamped with Illinois excise tax stamps as well as those for which the tax is paid at the cigarette or OTP rate. Distributors that sell little cigars in Illinois must retain documentation, including the purchase and sales invoices, and make it available to the OAG upon request. In particular, our office requires distributors to confirm the amount of cigarettes sold with the Illinois tax stamps as well as the amount of little cigars sold with Illinois tax stamps. **All cigarette license holders must complete the enclosed Little Cigar Affidavit.**

NPM Sales and Inventory Information

Included in each quarterly mailing is a form that distributors, which report sales of NPM brands on the Distributor Quarterly Report of Non-Participating Manufacturers' Brands, MUST complete for each brand family. In addition to the purchase and sales invoices that distributors have been required to provide each quarter, this form allows the distributor to document the beginning inventory, quantity purchased, ending inventory and sales to the other states of any brand families that are stamped for sale in Illinois or for RYO on which the OTP tax has been paid. Distributors are required to maintain and make available to the Attorney General all invoices and documentation of sales of all NPM cigarettes, including RYO, and any other information relied upon in filing quarterly reports, for a period of five years. **The submission of invoices or computer reports showing sales of NPM product in Illinois does not relieve the distributor of the duty to complete the distributor quarterly report and to list the information in columns a through for each brand family.**

Prevent All Cigarette Trafficking Act

Under the Prevent All Cigarette Trafficking Act (“PACT ACT”), individuals and businesses **outside of the state of Illinois** that sell cigarettes, RYO and smokeless tobacco products must file reports with IDOR no later than the 10th of each month that include a memorandum or copy of the invoice covering *all shipments* of cigarettes into Illinois during the previous month. To register, contact the Illinois DOR. In 2020, PACT Act reports must be submitted in addition to the quarterly report of NPM sales. Enclosed in the quarterly mailing is the Distributor 2020 Quarterly Report of PACT Act Transactions.

What’s Banned

The only cigarettes which can be stamped and sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-Participating Manufacturers. Manufacturers and brand families appear together on the Illinois Directory of Participating Manufacturers or the Illinois Directory of Compliant NPMs.

The stamping and sale of all other products are prohibited.

Manufacturers and brands NOT listed on the Directory of Participating Manufacturers or on the Directory of Compliant NPMs may NOT be sold in Illinois.

Illinois Directories

The Illinois Directory of Participating Manufacturers and the Directory of Compliant NPMs include brand styles that have been certified under the Cigarette Fire Safety Standard Act as well as brand families certified as being in compliance with the Tobacco Product Manufacturers’ Enforcement Act of 2003. In order to be lawfully sold in the state of Illinois, both the manufacturer and the brand family, as well as the brand styles, must appear together on one of the directories.

Directory changes requested by the Fire Marshal under the Cigarette Fire Safety Standard Act are included in Illinois Changes Under the Cigarette Fire Safety Standard Act. This document is posted on our website and should be consulted for additions or deletions of brand styles under the Fire Safety Standard Act.
