To: All Distributors of Cigarettes

As you know, the Tobacco Product Manufacturers' Escrow Enforcement Act of 2003 provides that the only cigarettes which can be stamped and sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-participating Manufacturers. The stamping and sale of all other products is prohibited and may result in the suspension or revocation of a distributor's license.

Although several of the Escrow Enforcement Act provisions include requirements for Tobacco Product Manufacturers, Section 25 of the Act includes reporting requirements for distributors and provides that quarterly reports be filed not later than 20 days after the end of each calendar quarter. The Attorney General Rules require that the distributor provide the name and address of the non-participating manufacturer (column d), name and address of person from whom the brand was purchased (column e) and the name and address of the first importer or first purchaser of each brand (column f). **Beginning June 30, 2004, the Illinois Directory of Compliant NPMs and the Illinois Directory of Participating Manufacturers are effective and in order to be lawfully sold in Illinois, both the manufacturer and the brand family must appear together on one of the Directories. Effective January 1, 2008 the Fire Safety Standard Act (425 ILCS 8/1 *et seq.*) requires that only brand styles certified and approved by the Fire Marshal may be sold in Illinois.**

Distributors are required to fill out the enclosed form, "Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands," and file it with our Office. **This report is to include both cigarettes and "roll-your-own" product manufactured by manufacturers not participating in the MSA.** If computer reports are attached to the quarterly report, the

quarterly report **MUST** be completed in full for each brand, including columns a-f. The enclosed form must be filed quarterly, **together with the Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1) and copies of all purchase and sales invoices**, according to the following schedule:

| Quarter | Date Range        | Report Due |
|---------|-------------------|------------|
| First   | Jan. 1 - Mar. 31  | April 20   |
| Second  | Apr. 1 - Jun. 30  | July 20    |
| Third   | Jul. 1 - Sept. 30 | October 20 |
| Fourth  | Oct. 1 - Dec. 31  | January 20 |

Please review and note any changes to your address information in Step 1 on this form. An updated listing of participating manufacturers can be found on the State of Illinois Directory of Participating Manufacturers at [www.IllinoisAttorneyGeneral.gov](http://www.IllinoisAttorneyGeneral.gov) by clicking on "Tobacco" and then on "Illinois Directories." No information needs to be included on the form as to these manufacturers. **If you have no sales of cigarettes or "roll-your-own" product which are manufactured by non-participating manufacturers, please write "None" under Step 2.** Please return the completed form prior to July 20, 2015.

Also enclosed is the Distributor 2015 Quarterly Report of PACT Act Transactions, which our office requires all licensed distributors to complete. Please return the completed form, with any attachments, prior to July 20, 2015.

To: All Tobacco Products License Holders

Tobacco Products License Holders include distributors, retailers, wholesalers and manufacturers who have an "Illinois TP License." A TP license allows a business to sell tobacco products, including roll-your-own (RYO) tobacco (i.e., any tobacco which, because of its appearance, type, packaging, or labeling is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes). Anyone who has a TP license **MUST** file a "Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands" each quarter with the Office of the Illinois Attorney General whether or not they have any sales of RYO tobacco.

The Tobacco Product Manufacturers' Escrow Enforcement Act of 2003 provides that the only RYO tobacco products allowed to be sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-Participating Manufacturers. **The sale of all other RYO tobacco products is prohibited and may result in the suspension or revocation of a TP license.** Beginning June 30, 2004, the Illinois Directory of Compliant NPMs replaced the Substantial Compliance List and the Illinois Directory of Participating Manufacturers replaced the NAAG List of Participating Manufacturers. **As of June 30, 2004, in order to be lawfully sold in the State of Illinois, both the manufacturer and the brand family must appear together on one of the Directories. Effective January 1, 2008, the Fire Safety Standard Act (425 ILCS 8/1 et seq. requires that only brand styles certified with the Fire Marshal may be sold in Illinois.**

You are required to fill out the enclosed form, "Distributor Quarterly Report of Sales of Non-Participating Manufacturers' Brands" and file it with our office quarterly, **together with the Distributor Quarterly Report NPM Sales and Inventory Information (Dist-1) and copies of all purchase and sales invoices**, according to the schedule below. This report is to include sales of "roll-your-own" product made by manufacturers not participating in the MSA. The Attorney General Rules require that the license holder provide the name of the brand being sold (column a), ounces of roll-your-own sold for the specified quarter (column c), name and address of the non-participating manufacturer (column d), name and address of person from whom the brand was purchased (column e) and the name and address of the first importer or first purchaser of each brand (column f). The license holder must also indicate whether or not they pay the Illinois

Tobacco Products Tax (OTP Tax) for each brand listed. You may provide a computer report of the RYO sales, but you **MUST** also provide the information in columns a-f on the quarterly report form. **If you have no sales of “roll-your-own” product which are manufactured by non-participating manufacturers, please write “None” under Step 2.**

Please review and note any changes to your address information in Step 1 on the Distributor Quarterly Report. **You must provide our office with an electronic mail address on line 14.** An updated listing of participating manufacturers can be found at [www.IllinoisAttorneyGeneral.gov](http://www.IllinoisAttorneyGeneral.gov) by clicking on “Tobacco” and then on “Illinois Directories.” No information needs to be included on the form as to these manufacturers. **Please return the completed form and copies of all purchase and sales invoices prior to July 20, 2015.** Quarterly Reports are due according to the following schedule:

| Quarter | Date Range        | Report Due |
|---------|-------------------|------------|
| First   | Jan. 1 - Mar. 31  | April 20   |

# What's New?

June 2015

## **Distributor Affidavits for 2014 and Future Sales**

**Cigarette and OTP Distributors:** Included in the fourth quarter mailing was an affidavit for cigarette distributors and all licensed OTP distributors who filed quarterly reports in one or more quarters in 2014. All licensed Cigarette and OTP distributors were required to complete the affidavit and return it by January 20, 2015. The Cigarette Distributor Affidavit includes an addendum for reporting cigars classified as cigarettes in Illinois in 2014. Cigars that are not considered to be cigarettes are also reported on the Affidavit. Please review the instructions and definitions for the cigars to which the addendum applies.

Both affidavits include questions regarding cigarette machines and the cigarette machine operator license. The Cigarette Machine Operators' Occupation Tax Act (SB 2194) effective August 1, 2012 requires cigarette machine operators to be licensed by the Illinois Department of Revenue and to report monthly to Revenue (copy to Illinois Office of Attorney General) their sales and other information relating to the operation of cigarette machines. An insert about the legislation was included in the 2012 Q3 mailing and is available from the Tobacco Enforcement Bureau.

Cigarette and OTP distributors will be required to complete a similar affidavit for 2015 sales and should retain adequate records to complete future affidavits. Each year an affidavit is included in the fourth quarter mailing and must be completed on or before January 20 of the following year. Notices of violation are included for distributors that have not completed the affidavit for 2014 and returned it to our office.

## **Little Cigars Classified as Cigarettes for Tax Purposes**

Effective July 1, 2013 Illinois legislation requires "Little Cigars" that meet the definition of "any roll, made wholly or in part of tobacco, where such roll has an integrated cellulose acetate filter and weighs less than four pounds per thousand and the wrapper or cover of which is made in whole or in part of tobacco" to be stamped with an Illinois cigarette excise tax stamp for those in packs of 20 or 25 and for those in packs other than 20 or 25 to have the tax paid at the same rate as cigarettes. Our office has included questions on the Distributor Annual Affidavits regarding the brands and quantities stamped with Illinois excise tax stamps as well as those for which the tax is paid at the cigarette or OTP tax rate. Distributors that sell Little Cigars in Illinois must retain documentation, including the purchase and sales invoices, and make it available to the OAG upon request. In particular, our office needs distributors to confirm the amount of cigarettes sold with Illinois tax stamps as well as the amount of Little Cigars sold with Illinois tax stamps. Letters and an Affidavit were sent to licensed cigarette distributors on September 15, 2014 requesting confirmation of 2012 Little Cigar sales which had Illinois stamps affixed. We will send a similar request for 2013 and 2014 Little Cigar sales in the future.

## **NPM Sales and Inventory Information**

As of the 2013 Q1 mailing, included in each quarterly mailing is a form that Distributors which report sales of NPM brands on the Distributor Quarterly Report of Non-Participating Manufacturer Brands MUST complete for each brand family. In addition to the purchase and sales invoices that distributors have been required to provide each quarter, this form allows the distributor to document the beginning inventory, quantity purchased, ending inventory and sales to other states of any brand families that are stamped for sale in Illinois or for RYO on which the OTP tax has been paid. Distributors are required to maintain, and make available to the Attorney General, all invoices and documentation of sales of all NPM cigarettes, including RYO, and any other information relied upon in filing quarterly reports for a period of five years. The submission of invoices or computer reports showing sales of NPM product in Illinois does not relieve the distributor of the duty to complete the distributor quarterly report for each brand family and to list the information in columns a through f for each brand family.

## **Prevent All Cigarette Trafficking Act**

Under the Prevent All Cigarette Trafficking Act ("PACT ACT"), effective June 29, 2010, individuals and businesses that sell cigarettes, RYO and smokeless tobacco products must file reports with DOR no later than the 10<sup>th</sup> of each month that include a memorandum or copy of the invoice covering *all shipments* of cigarettes into Illinois during the previous month. The memorandum or invoice in each case must include the name and

address of the person to whom the shipment was made, the brand, and quantity of cigarettes sold, transferred or shipped. To register, contact the Illinois DOR. For more information, see the PACT Act Alert posted on the OAG website. In 2015, PACT Act reports must be submitted in addition to the quarterly report of NPM sales. Enclosed in the quarterly mailing is the Distributor 2015 Quarterly Report of PACT Act Transactions.

### **What's Banned?**

The only cigarettes which can be stamped and sold in Illinois are those manufactured by (1) MSA Participating Manufacturers, or (2) Compliant Non-Participating Manufacturers, which manufacturers and brand families appear together on the Illinois Directory of Participating Manufacturers or the Illinois Directory of Compliant NPMs. The stamping and sale of all other products is prohibited. (The sale and distribution of all Bidi cigarettes is also banned, by virtue of P.A. 91-734, eff. 1-1-01.) The Illinois Directories are provided to distributors on a quarterly basis. Distributors can also call the Tobacco Enforcement Bureau at (217) 785-8541 for up-to-date information or check our website.

Effective June 30, 2006, we no longer post the Manufacturers Whose Cigarettes are Banned from Sale in Illinois by Court Order on our website. Manufacturers and brands NOT LISTED on the Directory of Participating Manufacturers or on the Directory of Compliant NPMs may NOT be sold in Illinois regardless of whether there is a court order banning such sales.

### **Illinois Directories**

Effective August 1, 2008, the Illinois Directory of Participating Manufacturers and the Directory of Compliant NPMs include brand styles that have been certified under the Cigarette Fire Safety Standard Act as well as brand families certified as being in compliance with the Tobacco Product Manufacturers' Escrow Enforcement Act of 2003. In order to be lawfully sold in the State of Illinois, both the manufacturer and the brand family, as well as the brand styles, must appear together on one of the Directories. The NAAG List of Participating Manufacturers has not been in effect in Illinois since June 29, 2004.

A separate page, "Changes in Compliance Status," is included listing Directory changes under the Escrow Enforcement Act since the last quarterly mailing. Directory changes requested by the Fire Marshal under the Cigarette Fire Safety Standard Act are included in "Illinois Directory Changes Under the Cigarette Fire Safety Standard Act." This document is posted on our website and should be consulted for additions or deletions of brand styles under the Fire Safety Standard Act.

The Directories are published on our website and copies are included with this quarterly mailing. Please consult the Directories and/or contact the Tobacco Enforcement Bureau at 217-785-8541 if you have questions regarding manufacturers and brands which may be sold in Illinois.

# State of Illinois Directory of Compliant NPMs

May 15, 2015

This Directory lists all Non-participating Manufacturers and brand families that are certified as being in compliance with the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003 and the Cigarette Fire Safety Standard Act. ONLY cigarette brands and roll-your-own (RYO) tobacco products listed on this Directory or on the Directory of Participating Manufacturers may be sold, offered or possessed for sale in Illinois. In order to be lawfully sold in the State of Illinois, both the NPM and the brand must appear together on this list.

Effective January 1, 2008, the Cigarette Fire Safety Standard Act (425 ILCS 8/1 *et seq.*) provides that no cigarettes shall be sold or offered for sale to any person in Illinois unless they are certified and approved as in compliance with the Act. The Act does not apply to RYO tobacco products.

Effective September 22, 2009, pursuant to Section 907(a)(1)(A) of the Federal Food, Drug and Cosmetic Act as amended by the Family Smoking Prevention and Tobacco Control Act, a cigarette or any of its component parts (including the tobacco, filter or paper) shall not contain, as a constituent (including a smoke constituent) or additive, an artificial or natural flavor (other than tobacco or menthol) or an herb or spice, including strawberry, grape, orange, clove, cinnamon, pineapple, vanilla, coconut, licorice, cocoa, chocolate, cherry or coffee, that is a characterizing flavor of the tobacco product or tobacco smoke. According to the FDA, cigarettes and their component parts that fail to comply with the special rule established under section 907 are deemed adulterated under section 902 and as such are subject to seizure under section 304 as well as other enforcement action under the Federal Food, Drug and Cosmetic Act. Roll-you-own tobacco products are listed on the Directory by brand family, not by brand style. Some styles of RYO brand families which are listed on the Directory may contain certain characterizing flavors and as such may be deemed adulterated as provided above.

Brand families and brand styles listed on this Directory for which prior packaging includes "light", "mild", "low" or similar descriptors may be sold in Illinois as provided in Section 911 (b)(2)(ii) and 911 (b)(3) of the Federal Food Drug and Cosmetic Act as amended by the Family Smoking Prevention and Tobacco Control Act (21 USC 387k).

The Office of the Attorney General may periodically update this directory by either adding or removing brand families and/or non-participating manufacturers or making adjustments as requested by the Fire Marshal. Please contact the Office of the Attorney General at 217/785-8541 with any questions regarding this directory.

## DIRECTORY OF PARTICIPATING MANUFACTURERS

May 15, 2015

This Directory lists all Participating Manufacturers and brand families that are certified as being in compliance with the Tobacco Products Manufacturers' Escrow Enforcement Act of 2003 and the Cigarette Fire Safety Standard Act. ONLY cigarette brands and roll-your-own (RYO) tobacco products listed on this Directory or on the Directory of Compliant NPMs may be sold, offered or possessed for sale in Illinois. In order to be lawfully sold in the State of Illinois, both the participating manufacturer and the brand must appear together on this list.

Effective January 1, 2008, the Cigarette Fire Safety Standard Act (425 ILCS 8/1 *et seq.*) provides that no cigarettes shall be sold or offered for sale to any person in Illinois unless they are certified and approved as in compliance with the Act. The Act does not apply to RYO tobacco products.

Effective September 22, 2009, pursuant to Section 907(a)(1)(A) of the Federal Food, Drug and Cosmetic Act as amended by the Family Smoking Prevention and Tobacco Control Act, a cigarette or any of its component parts (including the tobacco, filter or paper) shall not contain, as a constituent (including a smoke constituent) or additive, an artificial or natural flavor (other than tobacco or menthol) or an herb or spice, including strawberry, grape, orange, clove, cinnamon, pineapple, vanilla, coconut, licorice, cocoa, chocolate, cherry or coffee, that is a characterizing flavor of the tobacco product or tobacco smoke. According to the FDA, cigarettes and their component parts that fail to comply with the special rule established under section 907 are deemed adulterated under section 902 and as such are subject to seizure under section 304 as well as other enforcement action under the Federal Food, Drug and Cosmetic Act. Roll-you-own tobacco products are listed on the Directory by brand family, not by brand style. Some styles of RYO brand families which are listed on the Directory may contain certain characterizing flavors and as such may be deemed adulterated as provided above.

Brand families and brand styles listed on this Directory for which prior packaging includes "light", "mild", "low" or similar descriptors may be sold in Illinois as provided in Section 911 (b)(2)(ii) and 911 (b)(3) of the Federal Food Drug and Cosmetic Act as amended by the Family Smoking Prevention and Tobacco Control Act (21 USC 387k).

The Office of the Attorney General may periodically update this directory by either adding or removing brand families and/or participating manufacturers or making adjustments as requested by the Fire Marshal. Please contact the Office of the Attorney General at 217/785-8541 with any questions regarding this directory.
